

INFINITE IN COSTA RICA

Infinite on the Road is an innovative program that seeks to extend the spirit of the International Leadership Institute to different parts of the world.

Iberoamerican University (UNIBE) is a private higher education institution specializing in health sciences, committed to the academic training of world-class professionals.

Infinite Spur is an organization committed to providing students with the necessary academic, personal and professional skills to successfully achieve their goals and dreams through the exploration of their leadership potential.

"I can't tell you how much I enjoyed this workshop and all the projects. They came at a perfect time; I really needed self-reflecting"
- L. Cook (USA)

UNIVERSIDAD DE IBEROAMERICA

Leadership in Action

Dates: Nov 6th, 7th and 14th
(Weekend sessions)

Location: Unibe, San José, Costa Rica

Language of Instruction: Spanish and English

Course fee: \$600

Designed for college seniors, recent graduates or young professionals.

The goal of the workshop is to develop effective leadership skills. This is an opportunity to discover and empower your leadership skills; learn about different leadership styles, powerful communication, win-win negotiation techniques, change management, and team leadership empowerment.

Find Your True North

Dates: Nov 9th to 13th
(Evening sessions)

Location: Unibe, San José, Costa Rica

Language of Instruction: Spanish and English

Course fee: \$600

Designed for pre-college or college students.

The purpose of this seminar is to empower students to develop as leaders of organizations and to embark them on paths of personal leadership development. Sessions will provide students with ideas, techniques for exploring their authentic self, leadership skills, life crucibles, and leadership styles.

Leadership & Management in Education

Dates: Nov 16th to 20th
(Evening sessions)

Location: Unibe, San José, Costa Rica

Language of Instruction: Spanish and English

Course fee: \$600

This course is designed to empower teachers and school administrators to learn about current theories of leadership and school organization management that apply to education-specific settings. The role of teachers as instructional leaders will be emphasized as key to improving classroom performance, student achievement, and overall educational success.
